

Are you looking to “Achieve your Best” as a Physiotherapist?

Work within our niches of treating endurance athletes, all things spine, woman’s pelvic health, and concussion management or develop your own in our professional 5000 square foot space (2500 clinic 2500 fitness centre). Enjoy the serene river side town of Grand Bay- Westfield where outdoor recreation and water sports abound less than 15 minutes from Uptown Saint John.

Join our team and **you** can expect:

- A healthy **compensation** package including:
 - Option for hourly wages and full support with building your case load quickly.
 - Yearly continuing education allowance.
 - Paid Fitness Centre membership for you and your family.
- **Team support** working with:
 - Certified McKenzie physiotherapists, concussion management and acupuncture certified physiotherapist. Together they have more than 60 years of clinical expertise!
 - Experienced physiotherapy assistants that take care of all the little things so you can focus your attention on patient care.
 - Administrative assistants (champions of first impressions) handle all booking and billings for you.
- **Mentoring** to support you on your career path:
 - Further develop your rock star physio skills (we have weekly clinical meetings and paid continuing education).
 - Let our therapist help you build a road map to becoming McKenzie MDT Certified.
 - Build your management skills to work towards a leadership role and/or clinic ownership (Earle, our leader, has been working on the business side for nearly 25 years and has lots to share).
