

Are you looking to “Achieve your Best” as a **Massage Therapist**?

Work within our niches of treating endurance athletes, all things spine, pelvic health, and concussion management or develop your own in our professional 5000 square foot space (2500 clinic 2500 fitness centre).

Join our team and **you** can expect:

- A healthy **compensation** package including:
 - Competitive wage, which is negotiable based on experience and education.
 - **\$500 signing bonus.**
 - Full support with building your case load quickly.
 - Yearly continuing education allowance.
 - Paid Fitness Centre membership for you and your family.
 - Part-time and/or Full-time hours available.
- **Team support** working with:
 - Certified McKenzie physiotherapist(s), concussion management, acupuncture certified physiotherapist, and pelvic health physiotherapy.
 - Kinesiologist to aid with exercise prescription, management of exercise program, and fitness centre management.
 - Administrative assistants (champions of first impressions) handle all booking and billings for you.
- **Mentoring** to support you on your career path:
 - Further develop your rock star massage therapy skills (we have weekly clinical meetings and paid continuing education).
